# WHAT DO WE DO?

---

At BULK-ASIA PTE LTD, we align our focus with that of our customers. We provide comprehensive or partial supply chain logistics solutions to charterers and cargo traders, ensuring the most effective cost management and seamless operations.

# HOW DO WE DO?

---

Our core strength lies in port logistics, backed by the expertise of our parent company, which boasts 80 years in stevedoring, shore handling, rake handling, CHA services, and related activities.

Over the years, we have established specialized entities for surface transportation and chartering, ensuring total control over the supply chain. This integrated approach enables us to serve as a one-stop shop for major clients globally.
